The reference on which the Muzrai Report has made the Commⁿ to report is from the Head master of the Ayurvedic College. Questions relating to the college are dealt with in the Muzrai Branch. Thus the present Commⁿ seems to be one for disposal in the Muzrai Branch. If considered otherwise, the opinion of the Ayurvedic College Committee may perhaps be invited re: the proposed levy of a fee for grant of the certificates in question. Subd^d for order.

I think the examining of Candidates for a Certificate should be decided by the part of the duty of the Headmaster of the Ayurvedic College. The analogy given by the Headmaster i.e. grant of medical certificates to private Candidates does not seem to hold good. Submitted for order.
